

## Reduced Sugar Dairy That Tastes Great

We use nature’s creative building blocks to deliver the best solutions for your specific application. With Bestevia® e+ Taste Solutions for Dairy, your reduced or zero added sugar dairy application will deliver a full taste experience. From ice cream to fruit preparations, our team has deep category expertise to develop formulations that meet your taste and cost requirements. Using our proprietary next generation stevia platform as a foundation, we incorporate the right combination of proprietary flavors and best-in-class texturants to create cost-effective solutions for your toughest sweetness challenge.

### Dairy e+

Bestevia® Taste Solution with e+ Stevia Sweetener coupled with natural flavor technology, delivering sweetness and mouthfeel for sugar reduced dairy-based beverages. Allows for up to 100% sugar reduction building back a sweetness profile and increased mouthfeel perception comparable to full sugar dairy-based beverages.

### IC e+

Bestevia® Taste Solution with e+ Stevia Sweetener, allulose and natural flavor technology delivering sweetness, mouthfeel and functionality for ice cream. Allows for up to 100% sugar reduction with a taste profile in sweetness and mouthfeel comparable to sugar. Allulose complements the sweetness and provides functionality with minimal calories, while eliminating the need for sugar alcohols.

### Dessert e+

Bestevia® Taste Solution with e+ Stevia Sweetener, allulose and natural flavor technology delivering sweetness, mouthfeel and functionality for frozen desserts such as sorbets, water ices, and sherbets. Allows for up to 100% sugar reduction with a taste profile in sweetness and mouthfeel comparable to sugar. Allulose complements the sweetness and provides functionality with minimal calories, while eliminating the need for sugar alcohols.

### Yogurt e+

Bestevia® Taste Solution with e+ Stevia Sweetener coupled with natural flavor technology delivering sweetness, mouthfeel, and masking for sugar reduced yogurt. Allows for up to 100% sugar reduction providing a sweetness and creamy mouthfeel comparable to full sugar yogurt and masking astringent off tastes often associated with sugar reduced yogurt.

### Yogurt Pro e+

Bestevia® Taste Solution with e+ Stevia Sweetener coupled with natural flavor technology delivering sweetness, mouthfeel, and masking for sugar reduced high protein yogurt. Allows for up to 100% sugar reduction providing a sweetness and creamy mouthfeel comparable to full sugar plant-based yogurt and masking astringent and bitter off tastes often associated with plant-based proteins.

### Fruit e+

Bestevia® Taste Solution with e+ Stevia Sweetener, allulose and natural flavor technology delivering sweetness, mouthfeel and bulking for jams, jellies, fruit preps, fillings and sauces. Allows for up to 100% sugar reduction with a taste profile in sweetness and mouthfeel comparable to sugar. Allulose complements the sweetness and provides texture for a more natural solution with minimal calories.

### Sweet Sauce e+

Bestevia® Taste Solution with e+ Stevia Sweetener, allulose and natural flavor technology delivering sweetness, creamy mouthfeel and bulking for dairy and non-dairy sweet sauces, syrups, ripples, and variegates. Allows for up to 100% sugar reduction with a taste profile in sweetness and mouthfeel comparable to sugar. Allulose complements the sweetness and provides texture for a more natural solution with minimal calories.
