

# Bestevia<sup>®</sup> Nutrition

## Functional Beverages That Don't Compromise on Taste

We use nature's creative building blocks to deliver the best solutions for your specific application. With Bestevia<sup>®</sup> e+ Taste Solutions for Nutrition, your plant-based protein beverages will deliver a satisfying sweet taste experience. Our team has deep category expertise and ingredient knowledge to develop formulations that meet your taste and cost requirements. Using our proprietary next generation stevia platform as a foundation, we incorporate the right combination of proprietary flavors and best-in-class mouthfeel enhancers to create cost-effective solutions for your toughest sweetness and formulation challenge.

### LoPro e+

Bestevia<sup>®</sup> Taste Solution with e+ Stevia Sweetener coupled with natural flavor technology delivering sweetness, mouthfeel, and masking for sugar reduced, low acid plant-based protein milks and beverages. Allows for up to 100% sugar reduction providing a sweetness and mouthfeel comparable to sugar and masking off tastes often associated with plant proteins.

### PeaPro e+

Bestevia<sup>®</sup> Taste Solution with e+ Stevia Sweetener coupled with natural flavor technology delivering sweetness and masking for sugar reduced plant-based protein beverages. Allows for up to 100% sugar reduction providing a sweetness comparable to sugar and masking off tastes specific to pea protein.

### HiPro e+

Bestevia<sup>®</sup> Taste Solution with e+ Stevia Sweetener coupled with natural flavor technology delivering sweetness and masking for sugar reduced high acid plant-based protein beverages. Allows for up to 100% sugar reduction providing a sweetness comparable to sugar and masking off tastes often associated with plant proteins.
